* Students who study Medicine in English take additional classes in Bulgarian language which have to be taken in the form of elective courses- 420 hours in the first, second and third year.

**In compliance with the Ordinance on the State Requirements for the Acquisition of Higher Education in the specialty of Medicine, the classes in “General Medicine” are divided into semester education and pre-graduate internship.

For the academic year 2018/19, the suggested topics for elective and facultative courses are published on the official website of the Faculty of Medicine - <http://medfac.mu-sofia.com>.
